Mary spoke to the club members about volunteering at club events. A list of 2019 schedule of activities was provided for everyone. Mary said that in order to keep offering all of the activities, much more help is needed. There is danger of those who volunteer for many activities, such as Michelle Ostrander chairing two Nosework trials in two months, burning out. There is a great deal of work "behind the scene" as in Michelle's and other Trial Secretary & Chairperson cases. If someone is not able to help for a full weekend, a one day option would be helpful, especially for Nosework/Scentwork. Mary emphasized the very real issue of volunteering & if club members are not able to fill the worker slots, outside help, ie: Girl Scouts, Boy Scouts, etc. may be needed.

Maureen asked that if an email is sent asking for event volunteers, please respond yes or no.

Award certificates were prepared by Bobbie Wood & given out by Mary and Maureen. Raffle baskets, prepared by Michelle Orlando with Patty Bryce's help, were awarded.

**Next Board Meeting – 2/8/19**
