

VERSATILE K9 SPORTS CLUB

Application for Membership

Thank you for your inquiry regarding membership in our Association. We are including, herewith, pertinent information relating to membership. Please review this information before you complete and submit the application. Membership is open to all persons who subscribe to the purposes of our association.

Educational activity is the lifeblood of our association. We could scarcely function without the volunteer work of our members. Participation in our activities and functions helps us form relationships with other members and participants in our sport. It also gives us the opportunity for growth and knowledge. There are many activities requiring voluntary participation: Educational programs, club and show publicity, show and match set-up, stewarding, judging, hospitality, etc.

Each applicant for membership should have a background in one or more Dog sports, with experience in owning, breeding, exhibiting or judging and have strong involvement in organized dog activities. The applicant must be sponsored by two members of different households in good standing with our club.
